Dear Mr. Lutterman:

Yucaipa Valley Water District (District) is a local public agency as defined in the CWC 10701(a). The District was formed as part of a reorganization, pursuant to the Reorganization Act of 1965, Division I of Title 6 of the Government Code of the State of California. This reorganization consisted of the dissolution of the Calimesa Water Company and formation of Improvement District No. 1 of the District as successor-in-interest thereto, and the dissolution of Improvement District "A" of the San Bernardino Valley Municipal Water District and the formation of Improvement District "A" of the District as successor-in-interest thereto. On September 14, 1971, the Secretary of State of the State of California certified and declared the formation of the District.

The District operates under the County Water District Law, being Division 12 of the State of California Water Code. Under this law the district has the legal authority to enter into grant agreements with the State of California.

Sincerely,

Jay Bogh
